Oath of Office administered to Councilwoman Eileen Woodruff by Mayor Charles Cocuzza

Appropriate remarks by Re - Elected Councilman Albin Wicki

Councilman Wicki welcomes all distinguished guests here tonight and joining us virtually. He thanks Commissioner Burry. She has been a good friend for many years and he thanks her for coming out tonight despite the bad weather and with all else going on in this world today. It means a lot. He extends his sincere appreciation to all the residents who supported him and Councilwoman Woodruff during the recent election. He thanks his wife, Patricia. He would not be here without her love and support over all these years, and of course her patience – especially when she is trying to plan meals around the crazy ever - changing schedules. He thanks his children Jessica, Albin and Emily who are safely watching through Zoom at home. Even they are grown and out of the house, their love and support are very important and mean the world to him. Special congratulations to Councilwoman Woodruff. She joined our Council in 2020 when the world was upside down with COVID and Union Beach was upside down with the loss of our dear friend Paul Smith. Eileen jumped right in with both feet. She hit the ground running and she proved herself to be an innovative, compassionate, and civic minded Councilwoman. A good friend and running mate. Maybe next time we will get to campaign and walk a few steps as that is the best part of campaigning those steps. Councilman Wicki thanks the Mayor and his fellow Council members for their continued support. Each of us is just a small part of a team, but it is the truth. Each one of us brings something different to the table. You can see for yourselves the different personalities that are up here. Each discussion contains different opinions and viewpoints but two or three remain constant – we always try to do what is best for the residents and most importantly we always try to do the right thing as we move forward. It truly is an honor to be able to serve the residents of Union Beach as a member of this Governing Body. It is an honor he does not take lightly. Many people have made comments about this room – he recalls in 2019 he remembered mentioning to people coming into in the building about the condition of the parking lot, we were under construction and it was a real mess and we asked for everyone’s patience that year. Commissioner Burry remembered the condition of the building and they were speaking about it before tonight’s meeting. He thanks Mr. Howard, Mr. Dayback, Anne Marie, Carol and so many people who worked for this project. Mr. Howard has dealt with the aggravations but it has been worth it. Thank you. Now on to the next project – he is confident that in 2022 we will see continued improvements throughout the Borough along with our never-ending road projects, we are hoping that the Army Corps Project will finally be under construction. It has been a long time in the planning and it will be satisfying to finally see the construction begin. We also look forward to the next phase of our revitalization of the Department of Public Works Facility. It began this year. The site looks really good already with just the little bit of work done. This is the beginning of the projects which we will be doing in the coming year. The Mayor and members of the Council are extremely proud of the outstanding jobs performed by our Borough employees. The Administrative Staff, the Public Works Department, the Construction Office and all of our professionals. At many events we talk about our first responders and Police Department and how their selflessness and bravery are second to none. Thank you to all who represent Union Beach in such a positive fashion whenever residents come into Borough Hall looking for services. They are always greeted with a smile and helpful people. We are very proud of that. Today he begins his 22nd year on Council. The most impressive thing he sees from his vantage point at these reorganizational meetings year after year is a room filled with volunteers. This year we have many people on zoom joining us along with those present. People who are here to volunteer for the various boards, commissions in the Borough. He discusses how it is a beautiful thing how the people who quietly volunteer for the Borough giving up their time and their evening and weekends for the Borough just to be part of the Borough – part of our whole town. They ask for nothing in return. He loves the following quote: “The greatness of a community is most accurately measured by the compassionate actions of its members.” Union Beach embodies that statement. It is the combination of all the groups, employees, the first responders and all the volunteers that make Union Beach so special. As much as he is honored to serve on this Council, it is the residents that help to make Union Beach the Best Little Town in New Jersey. He wishes all a Happy and Healthy New Year and may God continue to bless each one of us.

Appropriate remarks by Re - Elected Councilwoman Eileen Woodruff

Councilwoman Woodruff wishes all a Happy and a very healthy New Year. She is excited for this year because she thinks we will have a good year. Thank you to the Union Beach Borough for again voting her in and electing her to be a Councilwoman in our town. It is a great honor to do this and to speak for her community and to listen to her community. She has been very involved with the community prior to coming to Council. She has been a part of the school community and the soccer community. She enjoys her time volunteering and she loves to give back to the community and this is one of these opportunities that she was given to do this. She has enjoyed working with every single person on this Council, especially the Mayor. It was an interesting running year because it was very quiet. She and Albin did not get to do the usual walk around – so maybe in three years they will get to do it. It has been fun so far since she started and she has enjoyed it and she is looking forward to the next three years. She gives a special thank you to her husband, Rick, who puts up with her more than he probably should. He has the patience of a Saint and to her children, Colin, Liam and Kiera

who are understanding as she is walking out the door as they are walking in from a sporting event, or another event. It is hard sometimes being a working mom and now with the Council just being involved in the community. They are troopers. They have held up. Special thanks also to her family and her friends for all the support, advice and love over the years and she appreciates it. She looks forward to the next three years and she looks forward to working with our community, our town, the Council and Mayor. She thanks all again.

Roll Call of the 2022 Borough Council:

Present: Councilman Wicki, Councilman Cavallo**, Councilwoman Roche, Councilwoman Woodruff, Councilman Andreuzzi, Councilman Lewandowski

SPECIAL AWARDS AND RECOGNITION

1. Fire Chief’s Award presented by Councilman Lewandowski

To: Outgoing Fire Chief for the year 2021

Chief Daniel Long – thanks all for their support, FD members, PD, OEM and Council and most of all his family members for their understanding and support over the past years.

2. Announcement and Oath of Office to New Fire Department Chiefs of the Borough of Union Beach for the year:

1. FIRE CHIEF: Robert Woodhead
2. FIRST DEPUTY (ASSISTANT) CHIEF: Chris Tuberion

Oath of Office Administered to Chief Woodhead by County Commissioner, Deputy Director, Sue Kiely

Chief Woodhead thanks the Mayor and Council for the support and looks forward to working with everyone this year. He addresses the residents of Union Beach stating that this is a volunteer fire department. Everyone gives their time and their effort. It is not just lights and sirens it is the time that these members put into their training and the time they take from their families. Everyone moment is special. Remember with every call, the volunteers are stepping away from their families to come to help you. They are there for the residents and for the community. He will do his best in everything that he can to make sure that we are moving and striving forward.

Oath of Office Administered to First Deputy Chief, Chris Tuberion by Senator Declan O’Scanlon. Deputy Chief Tuberion reminds us of what Councilman Lewandowski stated that the job of the Fire Chief is a thankless job and you don’t make friends. So, when you do it twice you are completely nuts! He is coming back in for the second time and is looking forward to working with Chief Woodhead. He knows him not only professionally but personally and they are friends so they will be a team. They have the best group of individuals to work with in the department. He is looking forward to it.

3. Service award to EMS Chief of Union Beach First Aid Squad For the year 2021

Award presented to: Christopher Tuberion presented by Councilman Louis Andreuzzi. He worked with EMS for 9 years, through Hurricane Sandy and he worked with Chris for several years. He father was a very dear friend of his. Chris is following in his father, Vic’s footsteps in that he is very dedicated to the town.

Chris Tuberion thanks all the EMS workers who for the last two years had to undergo the worst conditions and the hardest times of any volunteer profession that he has ever been a part of or ever seen. They have transported over 400 confirmed or suspected COVID patients in the last two years. To note the dedication of his team and how good they really are, not a single one of his members contacted

or became the contact or inherited the COVID 19 virus as a result of patient contact – not one. This meant more to him than anything else as the leader of this organization. Not to say they didn't have it – family members gave it to them – be careful where you lay your head at night – this is usually where it gets you! Thank you again to the unpaid professionals that are out there every day and getting the job done. We recognize our hospital workers and the work that they do we consider them front line police, and we are the first line police. He wishes EMS and the Chief the very best moving forward.

4. Presentation Oath of Office to Officers of the Union Beach First Aid Squad, Inc. for the Year 2022:
