PUBLIC HEARINGS ON ORDINANCES AND OTHER PUBLIC HEARINGS, ETC.:

MEETING OF August 18, 2022

Monmouth County Open Space Hearing: - Dennis Dayback

PUBLIC HEARING: Monmouth County Open Space Grant Program, Scholar Park

The Clerk presented affidavit of publication showing that the Public Hearing was duly advertised in accordance with law in the Asbury Park Press in the issue of August 3, 2022.

Notice is hereby given that a Public Hearing will be held for the purpose of receiving comments on an application to the County of Monmouth for Open Space Trust Funds under the Monmouth County Municipal Open Space Grant Program. The Public Hearing will be held on Thursday, August 18, 2021 the Union Beach Borough Hall, 650 Poole Ave, Union Beach, NJ 07735, at 7:30 p.m. at which time all persons who may be interested therein will be given an opportunity to be heard. Written comments may also be submitted and will be accepted by the Municipal Clerk prior to the hearing date and time.

The Borough of Union Beach desires to obtain Monmouth County Municipal Open Space Grant Program funds in order to develop the following park: Scholer Park located on Spruce Street and Prospect Avenue (Block 152, Lots 1, 2, 3, 3.01, 11, 12, 13, Block 26, Lot 2, Block 33, Lot 1, Block 34, Lot 1, Block 35, Lot 1, Block 23, Lot 10, Block 24, Lots 6 and 6.01, Block 25, Lot 6.01, Block 27, Lot 1, Block 30, Lot 1, Block 31, Lot 1, Block 32, Lot 1 of the Official Tax Map of the Borough of Union Beach). Development will include installation of a pedestrian walkway and lighting.

Engineer, T & M Associates – Presentation of Project:

Mayor Cocuzza- This is the public hearing for the application Monmouth County Open Space Grant. The public hearing is part of the application process. It is required that we solicit comments from the public as to our application. This year's application is the same application that we submitted last year which we were not successful. We are cautiously optimistic that we will be successful this year and we can implement Phase 9 of the park improvements. We started these improvements in 2003 in the Master Plan of improvements to the park and we have implemented those plans over the years. With a lot of help from Monmouth County Open Space Grant Programs. If approved the amount of the project would be \$ 250,000.00 half of construction costs would be funded by Monmouth County. The application is due in September and Monmouth County requires a public hearing and comments to be taken by the residents.

Public Hearing on Monmouth County Open Space Grant Application:

Engineer discusses that this is a public hearing tonight for application for Monmouth County for open space funding for Scholer Park. Scholer Park has been constructed in several phases, many of which are active phases. The purpose of this application is to add a passive phase to the park to promote exercise which will include 1,400 feet of paved walkway around the perimeter of the park. The walkway will be 10 feet wide. There will be low-level lighting for security and there will be security cameras. The walkway will go out beyond where the new T-Ball fields are and all the way around. The park is heavily used by a variety of people, mostly young, people playing basketball, baseball, the skate park, and hockey rink. The park has grown and we would like this addition for the older residents who may use it to walk. He would like to answer any questions anyone may have. He and Dennis Dayback prepared the application and they are very much in support of this project. The total cost is \$250,000.00 with the County Grant being \$125,000 of this. This involves the elements he has described, the walkway, the lighting and the security cameras

Questions and/or comments from Council:

Councilwoman Woodruff asks about trash and recycling receptacles, possible dog stations being included in this grant. She also likes the idea of benches.

Mr. Dayback states that this is not part of this grant application but it can be added to the project at a latter date. We can address the benches at a later date as we do not want to create areas that entice people to hang out at night.

Mayor Cocuzza asks about the size of the path being large enough for smaller vehicles to get back to there. The Police Dept. off-track vehicles could get on to the track if necessary.

Mayor Cocuzza opens the Public Hearing on Monmouth County Open Space Grant Application at 7:48 p.m.

Public Comments:

With no one appearing to be heard, Mayor Cocuzza, closes the Public Hearing on Monmouth County Open Space Grant Application at 7:48 p.m.

RESOLUTION NO. 2022-128:

MONMOUTH COUNTY BOARD OF CHOSEN FREEHOLDERS OPEN SPACE TRUST FUND ENABLING RESOLUTION FOR DEVELOPMENT OF SCHOLER PARK -

WHEREAS, the Monmouth County Board of Chosen Freeholders has approved an Open Space Trust Fund and established a Municipal Open Space Program to provide Program Grant funds in connection with municipal acquisition of lands for County park, recreation, conservation and farmland preservation purposes, as well as for County recreation and conservation development and maintenance purposes; and

WHEREAS, the Governing Body of the Borough of Union Beach desires to obtain County Open Space Trust Funds in the amount of \$125,000 to fund Scholer Park Improvements located at Spruce Street and Prospect Avenue (Block 152, Lots 1, 2, 3, 3.01, 11, 12, 13, Block 26, Lot 2, Block 33, Lot 1, Block 34, Lot 1, Block 35, Lot 1, Block 23, Lot 10, Block 24, Lots 6 and 6.01, Block 25, Lot 6.01, Block 27, Lot 1, Block 30, Lot 1, Block 31, Lot 1, Block 32, Lot 1 of

the Official Tax Map of the Borough of Union Beach). Development will include installation of a pedestrian walkway and lighting.

WHEREAS, the total cost of the project including all matching funds is \$250,000.00; and

WHEREAS, the Borough of Union Beach is the owner of and controls the project site.

NOW, THEREFORE, BE IT RESOLVED BY THE BOROUGH OF UNION BEACH THAT:

1. Edward G. Broberg, PE, Borough Engineer or his successor is authorized to (a) make an application to the County of Monmouth for Open Space Trust Funds, (b) provide additional application information and furnish such documents as may be required for the Municipal Open Space Grants Program and (c) act as the municipal contact person and correspondent of the above named municipality; and
2. The Borough of Union Beach is committed to this project and will provide the balance of funding necessary to complete the project as described in the grant application in the form of non-county matching funds as required in the Policy and Procedures Manual for the Program; and
3. If the County of Monmouth determines that the application is complete and in conformance with the Monmouth County Municipal Open Space Program and the Policy and Procedures Manual for the Municipal Grants Program adopted there to, the municipality is willing to use the approved Open Space Trust Funds in accordance with such policies and procedures, and applicable federal, state, and local government rules, regulations and statutes thereto; and
4. Edward G. Broberg, PE, Borough Engineer or his successor is hereby authorized to sign and execute any required documents, agreements, and amendments thereto with the County of Monmouth for the approved Open Space Trust Funds.

This resolution shall take effect immediately.

ORDINANCE 2022-318:

The Clerk presented affidavit of publication showing that the ordinance was duly advertised in accordance with law in the Asbury Park Press in the issue of August 5, 2022.

Clerk requests permission of Mayor Cocuzza to read the Ordinance by Title only, advising that said Ordinance was posted on the Bulletin Board at the Municipal Building and on the Borough's Website at least one week in advance of this Public Meeting, and that copies of said Ordinance were made available to the General Public upon request.

ORDINANCE NO. 2022- 318:

AN ORDINANCE AMENDING CHAPTER 13 (LAND USE AND DEVELOPMENT REGULATIONS) OF THE GENERAL ORDINANCES OF THE BOROUGH OF UNION BEACH

This Ordinance sets forth procedures for the installation of Electric Vehicle Supply/Service Equipment (EVSE) and Make-Ready parking spaces and establishes associated regulations and other standards within the Borough of Union Beach in the County of Monmouth.

WHEREAS, supporting the transition to electric vehicles contributes to the Borough of Union Beach's commitment to sustainability and is in the best interest of public welfare; and

WHEREAS, installation of EVSE and Make-Ready parking spaces encourages electric vehicle adoption; and

WHEREAS, the Borough of Union Beach encourages increased installation of EVSE and Make Ready parking spaces; and

WHEREAS, adoption of this ordinance supports the State of New Jersey's goals to reduce air pollutants and greenhouse gas emissions from the transportation sector as outlined and supported by various programs related to NJ's 2019 Energy Master Plan, Global Warming Response Act (P.L.2007, c.112 (C.26:2C-37 et al.)), and EV Law (P.L. 2019, c. 362); and

WHEREAS, P.L. 2021, c.171 requires EVSE and Make-Ready parking spaces be designated as a permitted accessory use in all zoning or use districts and establishes associated installation and parking requirements; and

WHEREAS, the Borough of Union Beach encourages greater ownership and use of electric vehicles, thus the Borough of Union Beach is amending its Land Use and Development Regulations to establish standards and regulations for the safe and efficient installation of EVSE and Make-Ready parking spaces at appropriate locations.

NOW, THEREFORE, BE IT ORDAINED, by the *Council* of the Borough of Union Beach, County of Monmouth, State of New Jersey as follows:

Chapter 13 (Land Use and Development Regulations) shall be amended by the addition of the following Article 13-8.35 entitled "Electric Vehicle Supply/Service and Parking Spaces."

13-8.35 Electric Vehicle Supply/Service and Parking Spaces

SECTION 1: ELECTRIC VEHICLE SUPPLY/SERVICE EQUIPMENT

A. Purpose

1. The purpose of this ordinance is to promote and encourage the use of electric vehicles by requiring the safe and efficient installation of EVSE and Make-Ready parking spaces through municipal parking regulations and other standards. EVSE and Make-Ready parking spaces will support the State's transition to an electric transportation sector, reducing automobile air pollution, greenhouse gas emissions, and storm water runoff contaminants. The goals are to:

1. Provide adequate and convenient EVSE and Make-Ready parking spaces to serve the needs of the traveling public.
2. Provide opportunities for residents to have safe and efficient personal EVSE located at or near their place of residence.
3. Provide the opportunity for non-residential uses to supply EVSE to their customers and employees.
4. Create standard criteria to encourage and promote safe, efficient, and cost-effective electric vehicle charging opportunities in all zones and settings for convenience of service to those that use electric vehicles.

B. Definitions

Certificate of occupancy: The certificate provided for in N.J.A.C. 5:23-2, indicating that the construction authorized by the construction permit has been completed in accordance with the construction permit, the act and the regulations. See "State Uniform Construction Code Act," P.L.1975, c.217 (C.52:27D-119 et seq.) and regulations adopted pursuant thereto.

Charging Level: The amount of voltage provided to charge an electric vehicle varies depending on the type of EVSE as follows:

1. Level 1 operates on a fifteen (15) to twenty (20) amp breaker on a one hundred twenty (120) volt AC circuit.
2. Level 2 operates on a forty (40) to one hundred (100) amp breaker on a two hundred eight (208) or two hundred forty (240) volt AC circuit.
3. Direct-current fast charger (DCFC) operates on a sixty (60) amp or higher breaker on a four hundred eighty (480) volt or higher three phase circuit with special grounding equipment. DCFC stations can also be referred to as rapid charging stations that are typically characterized by industrial grade electrical outlets that allow for faster recharging of electric vehicles.

Electric vehicle: Any vehicle that is licensed and registered for operation on public and private highways, roads, and streets; and operates either partially or exclusively using an electric motor powered by an externally charged on-board battery.

Electric Vehicle Supply/Service Equipment or (EVSE): The equipment, including the cables, cords, conductors, connectors, couplers, enclosures, attachment plugs, power outlets, power electronics, transformer, switchgear, switches and controls, network interfaces, point of sale equipment, and associated apparatus designed and used for the purpose of transferring energy from the electric supply system to a plug-in electric vehicle. "EVSE" may deliver either alternating current or, consistent with fast charging equipment standards, direct current electricity. "EVSE" is synonymous with "electric vehicle charging station."

Make-Ready Parking Space: means the pre-wiring of electrical infrastructure at a parking space, or set of parking spaces, to facilitate easy and cost-efficient future installation of Electric Vehicle Supply Equipment or Electric Vehicle Service Equipment, including, but not limited to, Level Two EVSE and direct current fast chargers. Make Ready includes expenses related to service panels, junction boxes, conduit, wiring, and other components necessary to make a particular location able to accommodate Electric Vehicle Supply Equipment or Electric Vehicle Service Equipment on a "plug and play" basis. "Make-Ready" is synonymous with the term "charger ready," as used in P.L.2019, c.362 (C.48:25-1 et al.).

2. Private EVSE: EVSE that has restricted access to specific users (e.g., single and two-family homes, executive parking fleet parking with no access to the general public).
3. Publicly-accessible EVSE: EVSE that is publicly available (e.g., park & ride, public parking lots and garages, on-street parking, shopping center parking, non-reserved parking in multi-family parking lots, etc.).

C. Approvals and Permits

1. An application for development submitted solely for the installation of EVSE or Make-Ready parking spaces shall be considered a permitted accessory use and permitted accessory structure in all zoning or use districts and shall not require a variance pursuant to C.40:55D-70.
2. EVSE and Make-Ready Parking Spaces installed pursuant to Section D. below in development applications that are subject to site plan approval are considered a permitted accessory use as described in 1. above.
3. All EVSE and Make-Ready parking spaces shall be subject to applicable local and/or Department of Community Affairs permit and inspection requirements.
4. The Administrative Officer, Construction Official, Zoning Officer and/or Municipal Engineer shall enforce all signage and installation requirements described in this ordinance. Failure to meet the requirements in this ordinance shall be subject to the same enforcement and penalty provisions as other violations of the Borough of Union Beach's land use regulations.
5. An application for development for the installation of EVSE or Make-Ready spaces at an existing gasoline service station, an existing retail establishment, or any other existing building shall not be subject to site plan or other land use board review, shall not require variance relief pursuant to

C.40:55D-1 et seq. or any other law, rule, or regulation, and shall be approved through the issuance of a zoning permit by the administrative officer, provided the application meets the following requirements:

- a. the proposed installation does not violate bulk requirements applicable to the property or the conditions of the original final approval of the site plan or subsequent approvals for the existing gasoline service station, retail establishment, or other existing building;
 - b. all other conditions of prior approvals for the gasoline service station, the existing retail establishment, or any other existing building continue to be met; and
 - c. the proposed installation complies with the construction codes adopted in or promulgated pursuant to the "State Uniform Construction Code Act," P.L.1975, c.217 (C.52:27D-119 et seq.), any safety standards concerning the installation, and any State rule or regulation concerning electric vehicle charging stations.
6. An application pursuant to Section 5. above shall be deemed complete if:
- a. the application, including the permit fee and all necessary documentation, is determined to be complete,
 - b. a notice of incompleteness is not provided within 20 days after the filing of the application, or
 - c. a one-time written correction notice is not issued by the Zoning Officer within 20 days after filing of the application detailing all deficiencies in the application and identifying any additional information explicitly necessary to complete a review of the permit application.
7. EVSE and Make-Ready parking spaces installed at a gasoline service station, an existing retail establishment, or any other existing building shall be subject to applicable local and/or Department of Community Affairs inspection requirements.
8. A permitting application solely for the installation of electric vehicle supply equipment permitted as an accessory use shall not be subject to review based on parking requirements.

D. Requirements for New Installation of EVSE and Make-Ready Parking Spaces

1. As a condition of preliminary site plan approval, for each application involving a multiple dwelling with five or more units of dwelling space, which shall include a multiple dwelling that is held under a condominium or cooperative form of ownership, a mutual housing corporation, or a mixed-use development, the developer or owner, as applicable, shall:
 - a. prepare as Make-Ready parking spaces at least 15 percent of the required off-street parking spaces, and install EVSE in at least one-third of the 15 percent of Make-Ready parking spaces;
 - b. within three years following the date of the issuance of the certificate of occupancy, install EVSE in an additional one-third of the original 15 percent of Make-Ready parking spaces; and
 - c. within six years following the date of the issuance of the certificate of occupancy, install EVSE in the final one-third of the original 15 percent of Make-Ready parking spaces.
 - d. Throughout the installation of EVSE in the Make-Ready parking spaces, at least five percent of the electric vehicle supply equipment shall be accessible for people with disabilities.
 - e. Nothing in this subsection shall be construed to restrict the ability to install electric vehicle supply equipment or Make-Ready parking spaces at a faster or more expansive rate than as required above.
2. As a condition of preliminary site plan approval, each application involving a parking lot or garage not covered in 1. above shall:
 - a. Install at least one Make-Ready parking space if there will be 50 or fewer off-street parking spaces.
 - b. Install at least two Make-Ready parking spaces if there will be 51 to 75 off-street parking spaces.
 - c. Install at least three Make-Ready parking spaces if there will be 76 to 100 off-street parking spaces.
 - d. Install at least four Make-Ready parking spaces, at least one of which shall be accessible for people with disabilities, if there will be 101 to 150 off-street parking spaces.
 - e. Install at least four percent of the total parking spaces as Make-Ready parking spaces, at least five percent of which shall be accessible for people with disabilities, if there will be more than 150 off-street parking spaces.
 - f. In lieu of installing Make-Ready parking spaces, a parking lot or garage may install EVSE to satisfy the requirements of this subsection.

- g. Nothing in this subsection shall be construed to restrict the ability to install electric vehicle supply equipment or Make-Ready parking spaces at a faster or more expansive rate than as required above.
- h. Notwithstanding the provisions of this Section, a retailer that provides 25 or fewer off-street parking spaces or the developer or owner of a single-family home shall not be required to provide or install any electric vehicle supply equipment or Make-Ready parking spaces.

E. Minimum Parking Requirements

- 1. All parking spaces with EVSE and Make-Ready equipment shall be included in the calculation of minimum required parking spaces, pursuant to Chapter 13-8.20.
- 2. A parking space prepared with EVSE or Make-Ready equipment shall count as at least two parking spaces for the purpose of complying with a minimum parking space requirement. This shall result in a reduction of no more than 10 percent of the total required parking.
- 3. All parking space calculations for EVSE and Make-Ready equipment shall be rounded up to the next full parking space.
- 4. Additional installation of EVSE and Make-Ready parking spaces above what is required in Section D. above may be encouraged, but shall not be required in development projects.

F. Standards for All New EVSE and Make-Ready Parking Spaces

- 1. Location and layout of EVSE and Make-Ready parking spaces is expected to vary based on the design and use of the primary parking area. It is expected flexibility will be required to provide the most convenient and functional service to users. Standards and criteria should be considered guidelines and flexibility should be allowed when alternatives can better achieve objectives for provision of this service.
- 2. Installation:
 - a. Installation of EVSE and Make-Ready parking spaces shall meet the electrical subcode of the Uniform Construction Code, N.J.A.C. 5:23-3.16.
 - b. Each EVSE or Make-Ready parking space that is not accessible for people with disabilities shall be not less than 9 feet wide or 18 feet in length. Exceptions may be made for existing parking spaces or parking spaces that were part of an application that received prior site plan approval.
 - c. To the extent practical, the location of accessible parking spaces for people with disabilities with EVSE and Make Ready equipment shall comply with the general accessibility requirements of the Uniform Construction Code, N.J.A.C. 5:23, and other applicable accessibility standards.
 - d. Each EVSE or Make-Ready parking space that is accessible for people with disabilities shall comply with the sizing of accessible parking space requirements in the Uniform Construction Code, N.J.A.C. 5:23, and other applicable accessibility standards.
- 3. EVSE Parking:
 - a. Publicly-accessible EVSE shall be reserved for parking and charging electric vehicles only. Electric vehicles shall be connected to the EVSE. Time limits, if any, shall be as set by resolution of the Governing Body.
 - b. Electric vehicles may be parked in any parking space designated for parking, subject to the restrictions that would apply to any other vehicle that would park in that space.
 - c. Public Parking. Pursuant to NJSA 40:48-2, publicly-accessible EVSE parking spaces shall be monitored by the municipality's police department and enforced in the same manner as any other parking. It shall be a violation of this Section to park or stand a non-electric vehicle in such a space, or to park an electric vehicle in such a space when it is not connected to the EVSE. Any non-electric vehicle parked or standing in a EVSE parking space or any electric vehicle parked and not connected to the EVSE shall be is subject to fine and/or impoundment of the offending vehicle as described in the general penalty provisions of this Municipal Code under Chapter 7-12. Signage indicating the penalties for violations shall comply with Section 5. below. Any vehicle parked in such a space shall make the appropriate payment for the space and observe the time limit for the underlying parking area, if applicable.
 - d. Private Parking. The use of EVSE shall be monitored by the property owner or designee.

4. Safety

- a. Each publicly-accessible EVSE shall be located at a parking space that is designated for electric vehicles only and identified by green painted pavement and/or curb markings, a green painted charging pictograph symbol, and appropriate signage pursuant to Section 5. below.
- b. Where EVSE is installed, adequate site lighting and landscaping shall be provided in accordance with the Borough of Union Beach's ordinances and regulations.
- c. Adequate EVSE protection such as concrete-filled steel bollards shall be used for publicly-accessible EVSE. Non-mountable curbing may be used in lieu of bollards if the EVSE is setback a minimum of 24 inches from the face of the curb. Any stand-alone EVSE bollards should be 3 to 4-feet high with concrete footings placed to protect the EVSE from accidental impact and to prevent damage from equipment used for snow removal.
- d. EVSE outlets and connector devices shall be no less than 36 inches and no higher than 48 inches from the ground or pavement surface where mounted, and shall contain a cord management system as described in e. below. Equipment mounted on pedestals, lighting posts, bollards, or other devices shall be designated and located as to not impede pedestrian travel, create trip hazards on sidewalks, or impede snow removal.
- e. Each EVSE shall incorporate a cord management system or method to minimize the potential for cable entanglement, user injury, or connector damage. Cords shall be retractable or have a place to hang the connector and cord a safe and sufficient distance above the ground or pavement surface. Any cords connecting the charger to a vehicle shall be configured so that they do not cross a driveway, sidewalk, or passenger unloading area.
- f. Where EVSE is provided within a pedestrian circulation area, such as a sidewalk or other accessible route to a building entrance, the EVSE shall be located so as not to interfere with accessibility requirements of the Uniform Construction Code, N.J.A.C. 5:23, and other applicable accessibility standards.
- g. Publicly-accessible EVSEs shall be maintained in all respects, including the functioning of the equipment. A 24-hour on-call contact shall be provided on the equipment for reporting problems with the equipment or access to it. To allow for maintenance and notification, the Borough of Union Beach shall require the owners/designee of publicly-accessible EVSE to provide information on the EVSE's geographic location, date of installation, equipment type and model, and owner contact information.

5. Signs

- a. Publicly-accessible EVSE shall have posted regulatory signs, as identified in this section, allowing only charging electric vehicles to park in such spaces. For purposes of this section, "charging" means that an electric vehicle is parked at an EVSE and is connected to the EVSE. If time limits or vehicle removal provisions are to be enforced, regulatory signs including parking restrictions shall be installed immediately adjacent to, and visible from the EVSE. For private EVSE, installation of signs and sign text is at the discretion of the owner.
- b. All regulatory signs shall comply with visibility, legibility, size, shape, color, and reflectivity requirements contained within the Federal Manual on Uniform Traffic Control Devices as published by the Federal Highway Administration.
- c. Wayfinding or directional signs, if necessary, shall be permitted at appropriate decision points to effectively guide motorists to the EVSE parking space(s). Wayfinding or directional signage shall be placed in a manner that shall not interfere with any parking space, drive lane, or exit and shall comply with b. above.
- d. In addition to the signage described above, the following information shall be available on the EVSE or posted at or adjacent to all publicly-accessible EVSE parking spaces:
 - 1) Hour of operations and/or time limits if time limits or tow-away provisions are to be enforced by the municipality or owner/designee;
 - 2) Usage fees and parking fees, if applicable; and
 - 3) Contact information (telephone number) for reporting when the equipment is not operating or other problems.

6. Usage Fees

- a. For publicly-accessible municipal EVSE: In addition to any parking fees, the fee to use parking spaces within the municipality identified as EVSE spaces shall be as set by resolution of the Governing Body.
- b. This fee may be amended by a resolution adopted by the governing body.
- c. Private EVSE: Nothing in this ordinance shall be deemed to preclude a private owner/designee of an EVSE from collecting a fee for the use of the EVSE, in accordance with applicable State and Federal regulations. Fees shall be available on the EVSE or posted at or adjacent to the EVSE parking space.

SECTION 2: SEVERABILITY

If any section, paragraph, clause, or provision of this ordinance shall be adjudged invalid, such adjudication shall apply only to the section, paragraph, clause or provision so adjudged and the remainder of the ordinance shall be deemed valid and effective.

SECTION 3: REPEAL OF PRIOR ORDINANCES

All ordinances or parts of ordinances inconsistent with or in conflict with this ordinance are hereby repealed to the extent of such inconsistency.

SECTION 4: EFFECTIVE DATE

This ordinance shall take effect after final passage and publication as provided by law.

REPORTS OF COMMITTEES AND DEPARTMENT HEADS:

Councilman Wicki

Finance, Personnel, Administration, Special Grants & Shared Services

Mr. Wicki discusses the Road Opening Projects. Seagate Avenue is well underway and he learned that the dead end of Fourth street will be under construction beginning August 23rd. We do expect all projects to be completed by the end of September. It is a lot of construction and nice improvements for our town. He discusses that a bid opening was held for a new generator for the building. Award of that bid in the amount of \$160,000 is on the Agenda for tonight. This project is being funded by the American Recovery Plan. This is Federal money that is paying for our Generator. This fund has been a big help financially for the Borough.

Councilman Cavallo

Seniors, Library, Community Alliance & Health

Mr. Cavallo discusses that the Library has received some large print books and the Senior Group is very happy with the new touchless door openers. The Board of Health did not meet due to lack of a quorum. Community Alliance has been working on many things. They are planning many events. They have a fundraiser planned for Texas Roadhouse on September 15th. A Social Worker came to the last meeting who is interested in different aspects of mental health for anyone in need.

Councilwoman Roche

Board of Education, American Legion & Public Affairs

Mrs.

Roche reports that there were no meetings held at the American Legion. Their next meeting will be held in September. They do have pancake breakfasts on Sundays for anyone interested. Her next meeting at the Board of Education is Tuesday, August 23rd.

Councilwoman Woodruff

Recreation & UBSA

Mrs. Woodruff reports that Union Beach Recreational Camp came to an end on July 30th. It was a huge success. There had over 90 children participate. Everything went as planned. She has heard nothing but good feedback from parents and the counsellors. The Fall Fest will be held on Saturday, October 1st. It is open to all residents. It is a free event. They will be selling food at the concession stand. DJ, Pumpkins, Face Painting and many things for the children to do. The Tree Lighting will be held on December 4th at 6 p.m. The next meeting will be on Monday, August 22nd. More will follow.

The Union Beach Soccer Association held their registration for Recreational Soccer yesterday. There was 145 children who signed up for Recreation. Arrangements have been made for the alternate locations for the field as well as lighting discussions. Opening day will be September 10th – Mayor and Council are invited to attend. Two new teams have joined the Travelling League this season. We now have eight travel teams. The two new teams are the younger age groups so we have a few groups that will be aging out in the next year so it is good to see more of the younger ones coming out.

Councilman Andreuzzi

Public Works, Building and Grounds & Construction, Code Enforcement, Environmental & Planning Board

Mr. Andreuzzi discusses the plans for the Cervino's site which are being revised to the state restrictions to include residential units only. These revisions required the governing body to change the redevelopment plan for the site. The Ordinance was heard, introduced and passed this evening. The Developer for Route 36 Corridor as well as the Florence Avenue and Front Street sites are currently working on updates to their prospective projects.

Building and Construction Department Reports will follow next month due to a computer glitch. Both reports will be submitted at September Public Council Meeting and added to the minutes of September Meeting.

Environmental: Mr. Andreuzzi discusses that he had the opportunity to meet briefly with the Superintendent of Cheesequake State Park and his naturalist. Many of us are aware that Conaskonk Point and the Pebble Beach Areas are now under the jurisdiction of the State and Cheesequake in particular. The Superintendent is looking to work with Union Beach on the natural preservation of the tract. The Park Administration is looking to work more closely with the Bayshore Regional Watershed Council and the Save Coastal Wildlife Group that is focusing on Pebble Beach which takes a beating from a lot of the bottles and refuse. The Watershed Council and the Save Coastal Wildlife Groups are sponsoring an event this Saturday, August 20th from 12-1 at the Cedar Street Park in Keyport. Pre-registration is required at the website www.savecoastalwildlife.org.

DPW continues to inspect, clean and mow all locations, weather permitting. Crack sealing and pot hole repairs continue to be done to the tune of 2.5 tons of hot asphalt this past month.

Clean Communities Day preparation is underway. Set a side a few hours if you can on September 24th. Th DPW has completed six property clean ups as requested by the Code Enforcer.

We are eagerly awaiting the results of the camera survey of the storm sewers spanning Haven Park from Donnelly to the Creek.

Councilman Lewandowski

Public Safety, Court, OEM, Fire Dept., EMS

Councilman Lewandowski reports from the Union Beach Municipal Court for the month of July:
Amount collected for Title 39 contempt/fines \$3,264.38

YTD Calls 1,246.7 – Clean Up Hrs. 486.75 – Training 80.1 – Admin. 486 – Total 1,933. 25 hrs.

They have a water drive and open house on August 24th and 25th. Their upcoming events are an EMS picnic on 8/20 for the members and they are hosting a food truck festival on September 10th at Scholer Park.

The Fire Department Report will be submitted next meeting. Station 1 reports that the ladder truck is running. They are waiting for a hydraulic rear steer belt for the axle to be replaced and it will be back in service by the end of the month.

Police Department Report for the month of July:

912 Service Calls – 52 Traffic Stops – 1 Warrant Arrest – 61 Summonses – 9 MV Crashes

Detective Bureau did 10 fire arm permits, 3 ABC investigations, 3 Arrests, Records received \$90 in discovery fees, \$68 for Fire Arm Permits, Opra Requests received 8, Correspondence with the MCPO – 6. The Police Department attended the Active Shooter exercise in Middletown regarding active shooter entering the school system. A solar panel has been permanently affixed to the radar board on the 100 block of Morningside by the school to prevent 24hr swap out of batteries.

The Administrative Assistant attended the Bayshore Chiefs Meeting at the Middletown Conference Hall in reference to upcoming training events.

The Chief and the Police Department wishes to thank everyone with sincere gratitude for the support and prayers in their darkest hour for their prayers in honoring Detective Corporal Timothy Kelly, Jr. 65-31.

MEETING OPEN FOR PUBLIC DISCUSSION: AUGUST 18, 2022

Meeting opens for Public Discussion at 8:02 p.m.

With no one appearing to be heard, Mayor Cocuzza, closes the public discussion portion of the meeting 8:02 p.m.

RESOLUTIONS: August 18, 2022

Proclamation Borough of Union Beach

Whereas, each year we lose thousands of people from drug overdose globally. Some survive but suffer a permanent injury, with devastating impact to their families and friends; and

Whereas, the Borough of Union Beach is not immune. You may have seen it; it has happened to people around you. Tomorrow, it could happen to someone you love. This is not an invisible issue; and

Whereas, International Overdose Awareness Day provides an opportunity for us to reflect on practical ways to prevent overdose in our community. Overdose is preventable. Knowing the real facts about drugs and what to do when you see someone experiencing an overdose DOES save lives. International Overdose Awareness Day events that aim to educate our communities about drugs can really help.

Now, Therefore, I, Charles W. Cocuzza, Mayor of the Borough of Union Beach, by the powers vested in me, do hereby proclaim August 31, 2022 as
INTERNATIONAL OVERDOSE AWARENESS DAY
In the Borough of Union Beach and by doing so, making our citizens aware of this devastating situation.

*GIVEN UNDER MY HAND
AND SEAL OF THE
BOROUGH OF UNION BEACH,
THIS 18THth DAY OF AUGUST, 2022*

*Charles W. Cocuzza
Mayor*

**BUSINESS ADDED TO THE AGENDA OF THE MEETING OF
AUGUST 18:**

Mayor Cocuzza calls for a **Motion to Add:** Introduction of the Following Business to the Agenda:

1. **RESOLUTION NO. 2022-135 Award of Bid for Borough Hall Generator Replacement**
2. **RESOLUTION NO. 2022-136 Authorization of Mayor to sign Contract Documentation.**

Motion to add business to Agenda moved by Councilman Lewandowski, seconded by Councilwoman Woodruff and approved by voice vote.

RESOLUTION NO. 2022-135:

AWARD OF THE BID FOR BOROUGH HALL GENERATOR REPLACEMENT

Whereas, bids were received and opened in public on Thursday, August 11, 2022 at 10 a.m. at the Municipal Building, 650 Poole Avenue, Union Beach, New Jersey, for the project "**Borough Hall Generator Replacement**" and;

Whereas, in letter dated August 15, 2022 from the Borough Engineer, Edward G. Broberg P.E. of T&M Associates, Middletown, New Jersey recommending award of bid to: Electro Maintenance, Inc., 5133 W. Hurley Pond Road, Building #3, Farmingdale, NJ 07727 (low bidder) as follows:

<u>BIDDER:</u>	<u>BASE BID</u>
Electro Maintenance, Inc. 5133 Hurley Pond Road Building #3 Farmingdale, NJ 07727	\$160,000.00

Now, Therefore, be it Resolved, by the Mayor and Council of the Borough of Union Beach, that the contract for the project “**Borough Hall Generator Replacement**” be awarded to : Electro Maintenance, Inc., 5133 W. Hurley Pond Road, Building #3, Farmingdale, NJ 07727 on their low base bid of \$160,000.00 for the project, “**Borough Hall Generator Replacement**” in accordance with the recommendations of the Borough Engineer, Edward G. Broberg, P.E. of T&M Associates, Middletown, New Jersey, and:

Be it Further Resolved, that said award be subject to funds being available; the approval of the Borough Attorney, John T. Lane, Jr., Esq., and the New Jersey Dept. of Labor, Office of Wage and Hour Compliance.

Be it also Resolved, that the Mayor is authorized to sign said contract on behalf of the Governing Body of the Borough of Union Beach and Clerk is hereby authorized to attest to same.
