Comments by Councilman Jeffrey D. Williams

Councilman Williams welcomes everyone and wishes all a Happy New Year. He welcomes honored guests. "Three years ago I sat here humbled and honored as your newly sworn in Councilman. I talked about moving Union Beach forward and being 100% accessible to the residents. They called upon me for assistance with issues in the town. To this end, I am very proud of what I have accomplished when called upon. Tonight, I sit here as humbled and honored as I was three years ago, although the results did not turn out on Election night the way that Tim and I worked so hard for. He is thankful for the 1,000 plus residents that did come out and vote for each of us. I would like to thank my wife, Megan, my daughters Bridget and Teagan for their support. I would also like to thank my running mate, Tim Perrella, for his hard work and dedication to the residents while he served as Councilman. Thank you to the Borough workers that work so hard to keep this town running efficiently and I would also like to thank the Union Beach Democratic Chairman, Ken Connors for his guidance over the last three years. As I will not be serving the Borough as an Elected Official, I do look forward to continuing my work with the Library, OEM, as an Alternate Member of the Board of Health and I also look forward to coaching in the Union Beach Soccer Association and working with the Bayshore Sports and Recreation Association to bring the best possible programs to our youth here in Union Beach. I would like to wish Anthony Cavallo and Albert Lewandowski the best of luck and nothing but success as they begin their terms. I hope that they keep their promise of asking the hard questions and that they represent the people that

elected them to the best of their ability. I learned a lot over the last three years, but the one thing I am the most grateful for was the opportunity to help so many residents in this town. Whether it was dealing with Sandy Recovery, or everyday issues that may arise. Their stories and their resiliency were inspiring and inspired me to be the best I could be for them. Thank you everybody and God Bless Union Beach.

Comments by Councilman Timothy J. Perrella

“Good Evening everyone. Merry Christmas, Happy New Year, Happy Kwanza, Happy Holidays. Enjoy this New Year. I was very-very fortunate that in the end of 2015 I was someone that could say that I was the only Democrat that was appointed to an empty seat unanimously, by a Republican Council. For that, I truly thank the Mayor, the Council for their support that they had the forethought to think that I was available and would be able to help out this town in that empty position. I would like to thank Ken Connors, the entire Democratic Committee. I would like to thank my running mate for his guidance. I would like to thank the town people of Union Beach. You made the town very easy to live in, get along with people, and to really help people. I started about 4 days after Sandy hit in the Senior Center as a volunteer at the end it was over 2200 hours of volunteer hours that I accumulated helping everybody. I got to see a lot of faces. I don't remember names well. I remembered a lot of faces and people remembered me. I really had a great time because even though I lost my house, I was able to give out supplies to help people that really needed them and were in a much worse situation than I was. I was able to help people and guide them in directions to get the different assistance that they needed from the State and Local Governments and the different organizations that volunteered to help them to rebuild their house. I know the position that they are in. It has been four years and I am still out of my house. I am only 80% complete. I had flood. I had homeowners. I did not collect a dime from either. I am just working off \$150,000 grant. I feel everything that they feel. During the campaign, I was able to knock on doors numerous times with Jeff. We hit the town about two or three times at every single household. For the people that answered the doors, we had good conversations. Whether they were my Party, the Independent Party or the Republican Party, everybody had a lot of respect for everybody in Union Beach, no matter what organization you worked for or represented or what your ideas might be. We have a fabulous Fire Department that has four houses that need volunteers. If you can volunteer, please sign up. No matter what time the day or night, they will come out and they will try to do more than just save your foundation as some other Fire Departments do. They assist in any way possible. They get phone calls for a gas leak. They get phone calls for what might appear silly, but to the person that is making the phone call and having them respond, it is serious. We have an EMS that does the exact same thing. They are in there and they are out again and they have numerous calls. They have great leadership. They go through a lot of heartache and see a lot of things that happen, especially in the Bayshore where drug addiction is a big concern. It is very frustrating because sometimes they are seeing the same patient twice within 24-48 hours that they have had to admit narcan to because we don't have anything in place yet with our hospital systems to get people involved immediately with some sort of a drug counselor that can maybe help guide them in the right direction. We have a fantastic OEM Department. When Sandy hit, they were up. They lost a lot of equipment. They were on their feet. We have a big vote of thanks to give to Michael Harriott who has a life-time commitment to the OEM has done a fabulous job sometimes under extremely adverse conditions. We can't find a more perfect person to lead us in that Department. We have the American Legion in town, who do wonderful things for our veterans and for us in this town. We have many churches in this town that do a lot of volunteer work that go out there and help people, whether you are their faith or not. They don't care. They will help you with a soup kitchen. They will help you with a job. They will help you with clothes for a job interview. They will help you any way they can. Then we have these people that are here on our organization that will always, always help you and what helps them is backbone of the Police Department of Union Beach. They are here 24/7 to help anybody any way

that they can. If you are hurt, they will help you. If you not hurting, they will still help you. If you have questions, if you have family issues – there are a lot of family issues that they are called for that they handle with the upmost grace and concern. I had a neighbor who had a child overdose of heroin pass away in their house. It was a blended family. To this day, they cannot tell me any bad things about the Union Beach Police Department. They always praise them because of their quick response and what they did to try to help save their daughter. So, to all the organizations in Union Beach, I thoroughly, thoroughly thank you. I also want to thank the School Board. I was the Chairman for that organization and for the years' time it was a fabulous thing to see how the organization was run. John Hrabosky was head of Recreation. We just lost him to retirement after only a mere 34 years. I think he had another 4 or 5 in him – just because he had a double hip replacement doesn't mean you can't keep going. He was fabulous. We have fabulous people on the board for Recreation. Drug Alliance is made up of 90% of parents whose children have not been in school in Union Beach in about 15-20 years. They are that committed to the drug information and having answers and getting out there and spreading awareness to the people in the community and the children of our school. I would also like to thank the Health Department. I was the Chairperson there or Liaison. They have a wonderful organization led by wonderful people and they really have a tough job to do and a short amount of time to do it. They only meet once a month, so 12 times a year and try to get a lot done. These are just some of the things I was able to do in Union Beach. If here is anybody that I have left out, I truly apologize. I try not to read off a script because I always lose my place. I can't see. Again, thank you very much to everybody in Borough Hall, who service Borough Hall, that helps Borough Hall, our Borough Engineers, our Lawyers to everybody you have made my time here in Union Beach a very pleasurable time, one that I will treasure forever. Thank you very much.

Roll Call of the 2017 Borough Council:

Present: Councilman Wicki, Councilwoman Roche, Councilman Cavallo, Councilman Lewandowski, Councilman Andreuzzi, Councilman Cocuzza

Appropriate remarks by, Elected Councilman Cavallo, and Elected Councilman Lewandowski:

Councilman Cavallo:

"First and foremost, I would like to thank God for allowing me to wake up another day and continue to serve this town and my family. I would also like to thank our distinguished guests especially John Curley who from the beginning taught me always carry a big fly swatter. I would also like to thank my wife and daughter and my sister who are my support system in everything I do. Thank you to pastors Fred and Ruth who are not only my spiritual leaders but also family who gave us a place to

live when we had no house after Sandy. I would also like to thank Albie (Lewandowski) for spending many long nights and days walking the town with me until our feet hurt and sometimes I almost wanted to ask him to carry me.... I also wish Tim and Jeff good luck in their future endeavors. A few of my close friends noticed my fascination with Batman. I have this great tie. I have some pretty cool socks with capes on them. I can confirm that there is no truth to the rumor that I will make a motion to rename Union Beach 'Gotham City' Election night the Mayor stressed family comes first. I am a Reverend, a member of the Planning Board and now a Councilman, but nothing will ever surpass the other titles that I have 'husband, father and brother'. Of course, I look forward to working with the Mayor and this great team that makes up our Council. When my Grandfather came to America from Malta in 1950, he got settled and looked for a place to build a house and raise a family. He chose Dock Street in Union Beach. He saw something here and wanted to live an American Dream. We lost that house, but we built a new one in its place and we still have that dream in our hearts. I don't want to see Union Beach survive or just get by, I would love to see it thrive, flourish, grow and protected by a flood wall and have all our residents and businesses back. Our campaign slogan was 'rebuild and revitalize' and I am looking forward to that. As a team if something has to be done, it has to be done through a lot of thought and consideration. I am very excited about Union Beach's future and I hope I can make a difference. When I was young, my grandfather told me 'always leave people better than you found them'. May God Bless America and our great little town of Union Beach."

Councilman Lewandowski:

"I would like to recognize some of the people from 2016 Election", Freeholder Tom Arnone, Freeholder Serena DiMaso and Sheriff Golden who won election this year also. I would also like to acknowledge Director, Lilian Burry and Deputy Director John Curley. Tonight I sit in this position because of the residents of the Borough of Union Beach had the faith in me to do great things for this town and I am grateful and appreciative for that honor. As for the residents of this town, I will work endlessly to make you proud and to make our town better than ever. Remember we need to do this together. First, I would like to thank my wife, LeeAnn and my daughters Carly and Katie. Without you supporting me and allowing me to follow a dream of mine, I would not be able to do this job and help our town. I will now be attending a lot more meetings, but this will make our family stronger when we are together. You are my heart and soul - Thank you. To the rest of my family and my dearest friends, thank you for all the support on my journey. From day one when I talked about this, everyone of you backed me and helped me in any way with fundraisers, or just listening when I needed to talk. I do appreciate every one of you more than you know. To my fellow Councilmembers, thank you for taking me under your wing and helping me get there. Now that the fun begins, some of you will start to get bothered by me for more of the hundred phone calls or texts but that is me giving 150% at all times. Constantly moving and doing things. I would especially like to thank Charlie (Cocuzza) for running a great campaign for us. The many hours, phone calls and all the talking that we had and different strategies and ideas, it all worked out in the end for us. In closing, I would like to read a little message from Ronald Reagan's Acceptance Speech in 1980, it is called 'Trust Me'. 'Government asks that we concentrate our hopes and dreams on one man; that we trust him to do what is best for us. My view of Government places trust not in just one person or one party, but in those values that transcend persons and parties. The trust is where it belongs - in the people. The responsibility to live up to that trust is where it belongs, in their elected leaders. That kind of relationship between the people and their elected leaders is a special kind of compact.'

Thank you for all you do. You are the backbone of our community.

2] Presentation and Swearing In of New Fire Department Chiefs of the Borough of Union Beach for the year 2017:

1. FIRE CHIEF: Christopher Tuberton – Oath Administered by Shaun Golden and Bible held by Vic Tuberton

Chief Tuberton states that he was born and raised in this association. From the time he could stand until the time he could talk he either had a fire tool or was riding on a fire truck. It has been a long time and he has just turned 40, so as long as he could remember this has been in his blood. He thanks his parents for raising him in this community and the camaraderie that has come with it. He thanks his brothers and sisters in the Fire Department to which have allowed him to grow and become their Chief. He promises not to let them down as well as the Town. He has a few words about his selection as to who has sworn him in tonight. Sheriff Golden is not only a mentor but has become a personal friend. There have been many Sandy stories tonight but one that has been left out for many years is as follows:

As a K9 Police Officer in Union Beach, his police car like many cars in Union Beach was in front of his house. He lost his K9 ride. Both his dog and he were devastated that we were not going to be able to be operating and it was a tragedy. He saw Shaun about a week later. He asked how we were doing in recovery and he told him he could do better because he needed a K9 car. In three weeks the Sheriff made it happen and dropped it off right at our door. Again, he can't ask for a better friend than Shaun Golden. Chief Tuberion thanks the Mayor and Council, all the Emergency Services and looks forward to working with all in 2017.

2. FIRST DEPUTY CHIEF: Christopher Poyner
3. SECOND DEPUTY CHIEF: Paul Kerwin
4. THIRD DEPUTY CHIEF: Justin R. Visaggio

Oath of Office administered to the Deputies by Freeholder, Declan O'Scanlon

2] Service **award to Outgoing EMS Chief of Union Beach First Aid Squad For the year 2016:**

To: Jackie Shipley – Unavailable – Chris Tuberion to Accept

Councilman Andreuzzi is honored to serve on the town Council for the past eight years. One of the best things about Union Beach is that he can say that he knows 99% of the people that are in this room tonight. This is the kind of town we live in. Over the past few years he has had the opportunity to present as Liaison to the EMS. He thanks all the Emergency Services for their support. As the Mayor says, "without them we are nothing"!

Councilman Andreuzzi presents the Plaque for **Outgoing EMS Chief, Jackie Shipley**, to Christopher Tuberion as she is unable to attend tonight. She wished to thank the Mayor and Council and Community as a whole and all the Squad and Emergency Services for their support and continued vigilance involved in their organizations.

Special Award of service pin to **Mr. Baird** for his 60 years of service to the Union Beach Fire Department. Award presented by Christopher, Chief Rice, Councilman Lewandowski and Councilwoman Roche. Mr. Baird has been serving since 1956 and this name tag will be added to his uniform by the Board of Fire Commissioners and the Board of Fire Chiefs

Chief Tuberion presents Robert Baird with his 60 years of service Badge.

Mr. Baird states that he is thankful for his wife who during the last 52 years his wife let him do this. He has two more things he wants to accomplish: in five years Union Hose will be 100 years old, he would also like to be standing up 10 years from now for another badge. It was an honor to serve the people of Union Beach and his brother Firemen. They are all a bunch of nice people. Thank you.

Mayor Smith thanks Mr. Baird for his service to the Borough and announces that Mr. Baird also answers call in Keyport.

3] Award from Mayor Smith to Mike Harriott, NJ Certified Emergency Manager

(Framed Certificate of his Accomplishment) Councilman Wicki thanks Mr. Harriott for doing a wonderful job for the Borough for many years. Mr. Harriot helped Union Beach recover from the storm of 1992 and then again when Hurricane Sandy hit Mr. Harriot helped us to recover and protect our residents. It is not just the major storms. Mike and Emergency Management are always there for any type of snow storm, getting Code Red messages out to the residents, so many little things that they do and watch out for us to protect our residents. We don't want to overlook anything that the Office of Emergency Management does because without them, we would be in harm's way. We thank you Mike for your dedication and we are proud to present you with this frame for your NJ Management Association Certificate for NJ Certified Emergency Manager.

Mr. Michael Harriot: Forty-eight years out of school, and he decided to go back and get his State Certification in Emergency Management. When he got his first homework assignment he said, "What did I do?" – Forty-Eight years. He did graduate with a 93.6 average and he now holds the State Certification for Emergency Management for the Borough.

Mayor Smith: Thank you.

He says that they have been through an enormous amount of storms and disasters and people who live in this town for a long time know what Union Beach has been through. Don has decided at this point to take his inactive status and enjoy the rest of his time. Don has devoted 29 years of time in Emergency Management to this Borough.
