

*Dear Union Beach,*

*Hi my name is Patrick. I am raising funds for my Eagle Project at the Union Beach Memorial Library and need your help. I was born, raised and live in Union Beach which is why I choose my project to build an outdoor recreation center to give back to our community.*

*If you're like most in our community, then you will understand why our slogan is the "Best Little Town in New Jersey". We have been through so much together with Super Storm Sandy. Please help support my project to rebuild our small and proud community with a **suggested donation of \$1**. My project will cost \$1,500 which is why all donations are so important. 100 % of your contributions will help make Union Beach a better place. I am reaching out to ALL residents to ask for \$1.00 per Household. Your gift will make an immediate impact in the community we both live.*

*All donations can be made at the Union Beach Memorial Library at 810 Union Avenue. Please place donations in the book drop off box in a sealed envelope or stop in to see the Librarian. If making a check, make Payable: **Troop 134**. (On reference line: Write: "Eagle Project"). All Boy Scout donations are tax deductible.*

*Sincerely,*

*Patrick Kimler*
