

Message from the Mayor

December 2014

I want to take this opportunity, along with the entire Council, to express to everyone our wishes for a wonderful Holiday Season.

We hope that you have a joyful celebration no matter what holiday you and your loved ones celebrate. It is an occasion for thoughtful reflection as the calendar year comes a close, as well as a time to look ahead to the promising future that the New Year brings.

I am very happy to see so many families have recently been able to move back to their homes. It has been a long two years and the road home has not been easy for many. However, we cannot forget that there are still residents who are not back home yet. I assure you that I, along with the Council and every Borough employee, will continue to do all that we can to get our residents back home.

In this joyous season, we must also take time to remember those who are no longer with us.

I ask that you specifically remember in your thoughts and prayers the family of Robert "Hawk" Meyer who gave his life fighting a fire in Union Beach earlier this year.

Union Beach is a family that comes together in good times and bad. Let us be hopeful that 2015 is a year filled with happy moments for all of us.

God Bless us all.

God Bless Union Beach

God Bless the USA

Merry Christmas and Happy New Year!

Keep Smiling!

Paul
