Disposal of Branches/Brush/Grass Clippings

Our garbage contractor will accept branches/brush along with your regular garbage pick-up — on the second pick-up of the week (either Thursday or Friday). Branches **MUST** be bundled. Bundles **CANNOT** be more than 4 feet in length and **CANNOT** weigh more than 50 pounds. Anything larger than 3 inches in diameter **MUST** be cut up. If branches are too small to bundle, they should be placed in a can, the weight of which should **NOT** exceed 50 pounds. The contractor will accept only **THREE** bundles or cans at a time. **PLEASE NOTE:** The garbage contractor does not accept grass clippings; neither does the Department of Public Works. We recommend that you leave cut grass on your lawn, as it is actually good for your lawn.

Union Beach Board of Health

A Message from the Chief of Police, Michael J. Woodrow

Greetings Union Beach! We hope you enjoyed the great outdoors over the summer; it was truly a busy and exciting one! Our police officers met many new residents that were quite astonished, and overly appreciative, by the level of community outreach from the UBPD, as compared to their former places of residence. Yes, we do it all here — no job is too big or small! The daily visits to our Headquarters and “Job well done!” messages by our residents are always very much appreciated!

That said, school is in session which equates to an exponential increase in pedestrian and vehicle traffic. As always, please remain extra vigilant when driving. In case of an emergency, or if you simply have a concern, please call us at 732-264-0313. The UBPD handles, on average, 12,000 calls for service per annum; all are handled with the same amount of care and due diligence.

Please follow us on our social media site(s) to stay informed: Facebook, Instagram, web site, etc. Once again, we truly live in the best community in the State, not just due to the scenic beauty and atmosphere, but most importantly, due to the residents!

Respectfully,

Chief of Police Michael J. Woodrow (NJ State Chief’s of Police “Advanced” Accredited Executive.

Message from the Code Enforcement Office

The Code Enforcement Office would like to thank all those residents who are helping to keep our town looking beautiful.

With the cold weather approaching, we are asking for help with the following items:

1. Please be sure not to have any water pumping directly into the street. Please run it into your yard first.
2. **All empty lots** must be identified with either the address, or the block and lot of the property, on a board, that is large enough, and placed in a place that is visible from the street.
3. **All homes** must have house numbers on them that are large enough to be seen from the street. You never know when an emergency will hit and the first responders will have to try and locate your home.
4. For all homes that have sidewalks on your property and curb side, please be sure to clean all snow and ice off those sidewalks for people to walk on without getting hurt.

Thank you in advance for helping to keep our town safe during these next few months.

Information from Office of Emergency Management Coordinator, Robert Burlew

Almost all homes (85%) in Union Beach are in Zone A. When it becomes necessary, evacuation orders will come in one of two forms:

Voluntary/Recommended: A voluntary or recommended evacuation order is issued when an approaching storm will generate a storm surge that will impact travel, emergency service access and minor damages in flood prone areas. It is designed to encourage those within the zone to seek shelter in a sturdier structure or higher ground than they have with the designated zone.

Mandatory: A mandatory evacuation order is issued when the likelihood of storm surge is high and the loss of life could occur if people do not leave. In addition, a mandatory order is issued when it is believed that First Responders would be unable to access an area should there be a life threatening emergency.

In the event of an evacuation order, please take the following items with you: medication (enough for 3-5 days); a blanket and pillow for each person; personal hygiene supplies; baby food/formula; special dietary items; pets (limited space to shelter pets is available). If you must bring your pet, make sure you have a cage and food along with any medication they may need.

Grace United Methodist Church

Welcome to Grace United Methodist Church, 115 St. James Ave., Union Beach. Our Sunday Worship Services start at 9 a.m. and are led by Pastor Gene Chamberlin. Our services are also posted live on Facebook. If you cannot come in person, join us via our Facebook page at Grace UMC Union Beach. Our Sunday School meets every Sunday morning at 9 a.m. All are welcome, and we invite you to come and join us!

We are following safety protocols in both our church service and in our Sunday School due to COVID. We practice social distancing, masks are required, and hand sanitizer is readily available. If you are interested in having your child(ren) attend our Sunday School, please contact our Sunday School Superintendent, Nancy Kelly, at Rockyjasper@optonline.net, and she will provide you with the necessary registration forms and can answer any questions you may have.

Our Sunday School Vacation Bible School program was held in August, and this year we are raising funds to help provide food and necessities to an orphanage in Haiti. One hundred percent (100%) of any and all donations go directly to providing for the children. If you would like to contribute to our cause, all donations can be dropped in our church mail slot located between the two center doors on the parking lot side of the building. Please put in a sealed enveloped marked "Haiti."

Dates to watch for: Beginning in October, we will be selling fresh evergreen items. The items are ordered from Mickman Brothers in Minnesota, and arrive the weekend after Thanksgiving. If you are interested in purchasing any of our items, please leave a message on our church answering machine, and your call will be returned. We are having our indoor Vendor and Craft Fair on Saturday, November 20, 2021, from 10:00 a.m. to 4:00 p.m. Admission is free, and we have a large selection of vendors and crafters. Come and do some early holiday shopping!

We are collecting pajamas for the RAINE Foundation (Reaching All in Need Everyday), an organization that assists children and their families who are in crisis. This will continue through November. The pajamas are for infants through teens, and can be dropped off at the church. We anticipate that the Narcotics Anonymous (NA) group will commence meeting in the near future in the church fellowship hall. The WIC Program is every first Monday of the month and will begin again in September. We have a group that meets for yoga on Wednesday evenings.

If you are in need of prayers for yourself or anyone else, please contact the church, and we will be happy to add your request to our prayer list. Pastor Gene will also be happy to speak to anyone in need. His cell phone number is 732-610-6022, or contact the church and leave your information, and he will return your call.

Our email address is GraceUnitedMeth@optonline.net. Our church telephone number is 732-264-0916. You can also follow us on Facebook at Grace UMC Union Beach. As we enter this fall season, let us pray for all the children and young adults who are returning to school after a very stressful year. Let us all take a moment to be mindful of others around us who may need a friend or a helping hand, and let us strive to be the best we can be. Let us remember all those that are in need and focus on what is really important.

As always, we ask for God's Blessings on all who are reading this, your families and friends, our first responders, and our men and women serving in our Armed Forces. God Bless!

A Message from Mayor Charles W. Cocuzza

Dear Friends,

I hope all of you had a wonderful summer making many memories with family and friends and that everyone enjoys the autumn weather before we head toward the winter months and the Holiday Season!

As we leave the summer months behind, we remind everyone to please drive carefully, as the children have returned to school and we anticipate a great deal of traffic during drop off and pick up times.

As many of you may have noticed, the Borough had many road reconstruction projects taking place throughout town which I have listed below:

- Completed the reconstruction of 9th Street from Florence Avenue to Pine Street utilizing a 2020 Federal Community Development Block Grant of \$156,647.00.

- The Borough was awarded a \$375,000.00 grant from the NJDOT Municipal Aid Grant Program for the Reconstruction of Prospect Avenue from Pine Street to the Easterly terminus at Flat Creek.

- The reconstruction of Victoria Place roadway with curbing on each side and drainage repairs/upgrades.

- The reconstruction of Patterson Avenue between Isabelle Avenue and Willow Street.

In addition to these projects, we moved closer to the completion of the newly renovated Municipal Building with a dedication to be scheduled soon. We will communicate the details of the dedication in the near future.

Also, we have been notified by the Monmouth County Board of Commissioners that Florence Avenue from Stone Rd to Front Street has been included as part of their 2021 Road Overlay Program. Front Street from Florence Ave up to the Flat Creek (Maddies Creek) bridge will also be included. We will communicate further details when they become available.

The Governing Body continues to work closely with the State and Army Corps of Engineers on the acquisition of easements from property owners for Phase I construction of their flood protection project.. It is anticipated that the Army Corps will put Phase I out to bid in October with a contract award to occur in January or February of 2022!

We want to thank all those that organized, participated in and/or volunteered with the events that took place this summer, including the UB5K, Union Beach Fireworks show on July 3rd, Beach Volleyball & DJ every Wednesday night at the beachfront and the movie in the park at Scholer Park. All were a great success.

As you know, this year marked the 20th Anniversary of the September 11th attacks on our Country. As we gathered on September 11th to remember and honor those that were lost on that day (and those since), we participated in a service that saw the installation of a new monument at Firefighters Park dedicated to the Community that is constructed with a piece of steel from the World Trade Center. We would like to express our appreciation and sincere Thank You to the Knights of The Inferno Firefighter/Military Motorcycle Club for all of their hard work and dedication to make this happen and all those who donated/participated in fundraisers as well. The Borough would also like to thank Lima Charlie Construction Co. for donating the work and materials to reinforce the base area where the 9/11 Monument will permanently stand. #NEVERFORGET

As always, you can find more information on our Borough website at www.ubnj.net

Finally, I want to Thank the Council, along with all of our Borough Employees, Professional Staff, First Responders, Volunteers and Residents for their hard work and dedication to our community each and every day to continue making Union Beach the "Best Little Town in NJ!"

May God Bless all of our First Responders and keep them safe! May God Bless all of you and your families!

Be Safe!
Charlie
