

Dumpster/Storage Container Permits

If a resident plans to use a dumpster or storage container on their property, in the right of way, or on the street, they must obtain a permit from the Borough of Union Beach Department of Public Works. The cost of the permit is \$30. Permits for placement on the street are only issued in extreme circumstances.

Any dumpster or storage container placed in or on the roadway, and/or right of way, throughout the Borough, without a permit, will be removed by the Borough. The maximum fine for not obtaining a permit for yard, or street, placement is \$2,000.00. Residents with dumpsters/storage containers are issued a place card to put on the dumpster/storage container to show that it has been registered with the town.
